

STEEL BULL BAR

Engineered specifically for the LandCruiser 70 Series, this rugged Steel, Superwinch compatible Bull Bar provides added protection for your 4x4. Powder coated black to reduce corrosion, it includes two mounts for CB antennae and can also be equipped with matching Toyota Genuine Driving Lights and Side Rails. All sold separately. Pictured with Driving Lights and Superwinch (Sold Separately)

ALLOY BULL BAR

Designed and engineered to provide increased protection for your LandCruiser 70 Series, this high grade polished Alloy Bull Bar is purpose built to carry the Toyota Genuine Superwinch (sold separately). Features include recessed fairlead mounting, large cable viewing area and a fairlead cover plate if a winch is not fitted. Mounting points for Toyota Genuine Driving Lights and two CB antennae are also included. Pictured with Driving Lights and Superwinch (Sold Separately)

SUPERWINCH

The Toyota Genuine Superwinch is the ultimate accessory for the workhorse or adventure-bound LandCruiser. Delivering a pulling capacity of up to 9000lb/4082kg, it is powerful enough to pull the vehicle through tough terrain, and is vital for anyone going off the beaten track. The Superwinch's galvanised wire rope comes equipped with a nylon sheath around its leading end to protect the vehicle's Bull Bar while its durable, rubberised hand remote control with water resistant toggle switch is designed for safe and dependable operation.

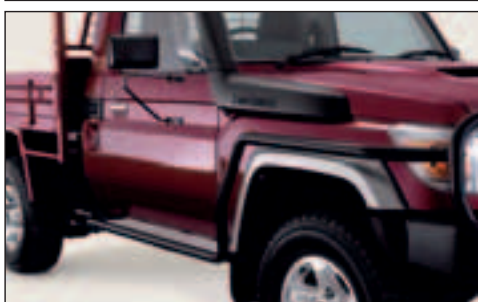

DRIVING LIGHTS

When driving on country roads at night, Toyota Genuine Driving Lights increase your range of vision, giving you more of a chance to detect potential safety hazards. For anyone driving long distances, they are an essential safety aid. Available in chrome or black, the Toyota Genuine range of Driving Lights are suitable for fitment to all Toyota Genuine Bull Bars.

TRAY BODY

The Toyota Genuine Tray Body range is engineered with high quality fittings to integrate with your LandCruiser 70 Series Cab Chassis. Available in Alloy and Steel (with timber, flat steel or checker plate floor), Steel trays are able to be colour matched to your vehicle. Tray Bodies are available with either a head board spare wheel mount or under body mounting, and both the Aluminium and Steel Trays come in General Purpose and Heavy Duty variants. A wide range of Tray Body options and accessories are available to suit a large variety of needs.

SIDE RAILS

Designed to help protect your vehicle's side step and front fenders in rugged terrain and heavy-duty situations, Toyota Genuine Side Rails are constructed from high grade steel and are black powder coated for corrosion resistance. Choose from front fender protection only or front fender and vehicle side protection (pictured). Requires Toyota Genuine Steel Bull Bar.

TOWBAR, TOWBALL & TRAILER WIRING HARNESS*

Tow with confidence using this practical, tough towbar with a capacity of 3500kg (braked).* Tested and approved by Toyota engineers, and black powder coated for corrosion resistance, the Toyota Genuine Towbar meets stringent Toyota safety and design standards.

To complete the installation use a Toyota Genuine Trailer Wiring Harness, available in 7 Pin Flat, 7 Pin Small Round and 7 Pin Large Round varieties. Towball sold separately. Also available is a Pintlehook ready Towbar with a 2500kg (braked) capacity. Towball position is compatible with the Toyota Genuine Tray Body range.

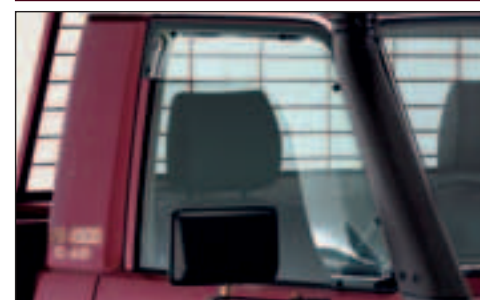

HEAVY DUTY ROOF RACKS*

Perfect for carrying those long and awkward loads, these durable commercial strength Toyota Genuine Roof Racks with extra large crossbars are available as a 2 bar set with 3rd bar optional. Toyota Genuine Heavy Duty Roof Racks feature black anodised extruded aluminium, a rubber bump strip on top to protect your cargo, and plastic end caps for safety. Compatible with many commonly available roof rack accessories.

BONNET PROTECTOR AND HEADLAMP COVERS

Add style to your LandCruiser 70 Series while helping to protect your bonnet from stone chips and scratches. Contoured to suit the new LandCruiser 70 Series, the high strength Bonnet protector is constructed from UV resistant acrylic. Toyota Genuine Headlamp Covers are designed to help protect both your headlamps and your front indicators. The extra large design fits across all of the main lamps to reduce the chance of stone chips and cracks. Both of these durable, UV resistant covers are also easy to remove and refit for cleaning.

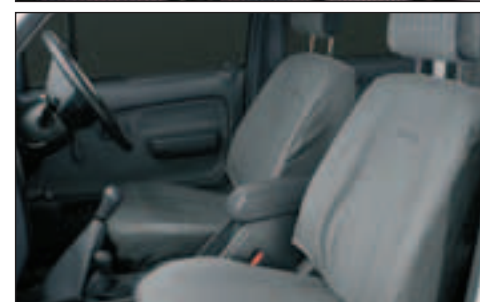

FRONT WEATHERSHIELDS

Toyota Genuine Front Weathershields let you enjoy fresh air no matter what the weather's doing. The clever design reduces disturbance from the wind and also helps deflect rain as you drive along. They're also UV resistant while being slightly tinted to reduce glare. Installation is simple, with no drilling required.

CARGO BARRIER*

Designed specifically for the LandCruiser 70 Series Troop Carrier and Wagon, this Cargo Barrier is securely fastened to help protect vehicle occupants from moving cargo in the event of a sudden stop or accident. Powder coated dark grey for corrosion resistance; the sturdy welded steel mesh construction is designed and tested to meet stringent Australian safety standards.

SEAT COVERS AND CANVAS SEAT COVERS* (pictured)

Tailor made for the LandCruiser 70 Series front bucket seats, these seat covers are made from a thick weave fabric or a water resistant canvas that are both comfortable and durable. They fit snugly and are easy to remove so regular cleaning is a breeze.

SUNVISOR*

Toyota Genuine Sunvisors are designed to minimise strong sunlight and glare, making driving more comfortable. The durable metal construction can withstand harsh elements and the Sunvisor can be painted to match your vehicle's exterior.

ALL WEATHER RUBBER FLOOR MATS

Toyota Genuine moulded Rubber Floor Mats are tailored to fit and help protect the interior of your Toyota LandCruiser 70 Series. All mats have an anti-slip backing and a raised outer lip to help contain mud, snow and moisture.

LandCruiser 70 Series. Toyota Genuine Accessories.

LandCruiser 70 Series Cab Chassis model shown (on front cover and above) in Dark Red Mica Metallic, accessorised with steel bull bar, side rails (front and side pair), superwinch, driving lights, headlamp covers, bonnet protector, front weathershields, canvas seat covers and galvanised steel colour-coded (with chequer plate floor) tray body. All sold separately.
